

Use the following thoughts and questions to have a spiritual conversation as a family. Don't emphasize having the right answer, but focus on spending time discussing the Word as a family.

## Scripture

2 Corinthians 11:1-15

## Session Summary

Within the church, some believers had accepted teachers of a different gospel—one that could not save. By listening to these teachers, the Corinthians rejected Paul and his message. But Paul was jealous on God's behalf for these fellow believers, and he chose to fight for them to know truth. God has given us one gospel—Jesus alone is the way to the Father (John 14:6). Every other gospel is no gospel at all, and is instead Satan's deception that leads to destruction.

## Conversation Questions

- How can we determine a false teaching from the truth?
- What are some reasons the gospel is the only saving message out there?
- What should we do if someone takes a small verse out of context?
- Why is it important for us to never take God's Word out of context?

## Family Challenge

Challenge each person in your family to spend ten minutes finding different false messages from secular teachers. Messages like "Money equals happiness" or "Do whatever feels right" or "Jesus was just a good man" all work. Once you have gathered the messages, talk about them as a family and discuss why they contradict Scripture.
