

Personality Test

Taken from Florence Littauer's Personality Plus: How to Understand Others by Understanding Yourself

Directions: In each of the following rows of four words across, choose the one word that most often applies to you. Continue through all forty lines; be sure each number is marked. If you are not sure which word "most applies," ask a spouse or a friend, and think of what your answer would have been when you were a child.

If you are filling out the PDF version, mark your boxes with the number 1 to auto-calculate your totals.

Totals:

This test is very easy to interpret. Once you've transferred your answers to the scoring sheet, added your totals in each of the four columns, you'll know your dominant personality type (and least dominant type). You'll also know what combination you are.

****Note:** As Christians, and especially as Christian leaders, we should use personality tests to better understand ourselves and others. They are not intended to lock us in to one particular personality. i.e. We are not allowed to blame our sin on our personality type. We are not slaves to our personality, we are slaves to Christ. If Christ is changing us day by day, He will sand away our rough edges so that we will become more like Him.
