

**Just down the road, about three hours away, lies the secluded and virtually private Houston County Lake.**

We'll spend 4 days and 3 nights in a huge, beautiful, and well stocked lake house. This will be the setting for our worship, bible studies, meals, and sleep. Most everything else will be done on the lake, docks, decks, basketball court, and yard.

**SPACE IS LIMITED!**

**To Register:**  
[southlakebaptist.com/students](http://southlakebaptist.com/students)

**We have a limited number of scholarships available. Please contact us if you would like assistance**

Also, be sure to join us for a weekly worship experience uniquely designed for students with food, games, prizes, music, and a Word from God.

**7 PM in the Student Center**
